Escape to Europe

Summer 2023 Edition

Highlights

✓ 20 days long road trip.

Trip Overview

Home to majestic mountain ranges and picture like islands; Europe possesses some of the most beautiful scenery on Earth. We are going to have 20 days long road trip and touch nine exceptionally exotic countries of Europe. There simply is no way not be awestruck by its scenic beauty and artistic diversity. What is great about Europe is their cultural diversity. People even speak different languages. Some of their most unique attractions are the Eiffel Tower in Paris, France; Colosseum in Rome, Italy; Parthenon in Athens, Greece; and the Leaning Tower of Pisa, Italy. They are also known for their epic cuisines; like most popular Italian cuisine, French desserts, Switzerland's chocolate etc. We are definitely going to have a blast in Europe.
